So Chairman Yoo took my 3 year old son and put him on the family register as his second son.

After that, I made sure that other companies couldn't beat Chairman Yoo's construction company. In order to do that, I had ideas.

After that, I took care of the other companies quietly underground so that Yoo's company became a company group.

The chairman Yari who had everything didn't have luck with a child. The only child that they had died in a plane crash. The child's wife also died too.

Chairman Yari should had a big effort on him. He looked as if he lost everything.

ABROAD WITH  
OPPA.

A boy and a girl are walking away from the viewer. The boy is in the foreground, wearing a light-colored sweater and dark pants. The girl is walking slightly behind him, wearing a light-colored dress. To the right, a boy in a dark suit and tie is walking towards them, holding a folder. The background shows a school building and a path.

Hello, this is Fluffball,  
Tinte's office pet cat.  
We are about to put him  
up for adoption because  
even though we love him,  
we are no longer able to  
take care of him. If only  
we had more cleaners and  
korean translators...

"sigh"

Goodbye Fluffball...

Project Tintis is  
looking for:

**CLEANERS**
